WELCOME

The team and I are delighted to welcome you to VOLTA Basel as the fair returns to its founding city for the 2023 edition.

As a team we endeavour to continue VOLTA's founding aims – to support you, our devoted collectors, to discover the art of now, connect with our galleries and grow your art collection.

This year, we present a carefully curated selection of 30 galleries who work at the cutting-edge of contemporary art. Hailing from 13 countries, VOLTA continues to support its founding ethos of bringing new narratives and ambitious galleries to the art markets' major cities.

This year's edition is presented at Klybeck 610, a new location that positions VOLTA Basel a short 20-minute walk and 5-minute shuttle bus from Art Basel. The building is an architectural delight and enhances the boutique feeling of VOLTA.

Thank you for joining us and enjoy your art collecting at VOLTA Basel 2023.
